September 14, 2017

Good Morning,

As president of the Northwood Estates Homeowners Association, I received a complaint from a neighbor stating that they have observed raw sewage coming from a nearby yard as well as observe raw sewage being thrown into a ditch behind the alleged persons home. Please I ask that someone be sent to the neighborhood for further observations. As we all know this is a health hazard.

Thanks for your cooperation

Please feel free to contact me at 803, \_\_\_\_\_

Sincerely,

Barbara Williams
